23 JAN 2011

Sub: Fabrication of Unfired Pressure Vessels in your fabrication shop at Plot NO. 82, Sector-25, Faridabd – 121 004 under SMPV (U) Rules 1981.

Dear Sirs,

Please refer to your letter no. GPE/Explosie/09 dated 11.07.2009 and inspection of the premises by Jt. Chief Controller of Explosives, North Circle, Faridabad on 10.07.2010.

In terms of Rule 4 (2) of the Static ~~Mobile~~ Pressure Vessels (Unfired) (Amendment) Rules 1981, you are recognized as an approved manufacturer of unfired Pressure Vessels in your fabrication Plot NO. 82, Sector-25, Faridabd – 121 004 for a period of one year i.e. upto 31.12.2011 .

Please note that the fabrication of pressure vessels shall have to be carried out strictly in accordance with the provisions of SMPV(U) Rules 1981 and following the fabrication code IS:2825 under the stage inspection of any 3rd Party Inspecting Agency recognized by this office. Any other recognized fabrication code for a particular vessel shall only be followed after getting specific approval for the same from this office. The fabrication drawings alongwith Design Calculation Safety Valve sizing calculation duly endorsed by the Inspecting Agency referred to above, in respect of each type of pressure vessel to be fabricated by you, shall have to be submitted to this office for prior approval. A demand draft of Rs.500/- towards scrutiny fee for each design drawing, drawn from any nationalized bank in favour of Chief Controller of Explosives payable at Nagpur, shall also be submitted with the above documents.

Any change in the technical personnel and fabrication machineries shall be intimated to this office in due course and a report on your performance shall be submitted in every quarterly for record and perusal to this office. The recognition granted above may be withdrawn at any time if your performance is not considered satisfactory.
